

Head of the Fraser Fours Regatta 2011:

Information Package

Event Date: October 15, 2011

Location: John M.S. Lecky UBC Boathouse, 7277 River Road, Richmond, BC

Racing Information: Head of the Fraser Fours regatta will be held on the Middle Arm of the Fraser River and will consist of a head race (4k- 5k) as well as a ~500m sprint for the following categories: Junior A, Junior B, Masters, and JV/Club. Junior C and Novice competitors will complete a shorter head race (1.5k – 2k) as well as a ~250m sprint. Crews' total time for both components will determine placing.

As soon as athletes have completed their head race rowing up river, they will continue up past the boathouse in preparation for their sprint back to the dock. Sprint races will be organized so that each crew will row alongside at least one other crew. All athletes and coaches must understand that there will be a waiting period while all crews finish their head races before the sprint races commence. We ask that all crews keep this in mind when establishing their race plans.

The regatta will run in two flights; the first flight beginning at 11am with a launch time of 10:15am. The second flight is scheduled to begin at 2pm, with a 1:15pm launch time. Please note that start times may vary.

Venue Information: Curbside parking will be available along River Road near the UBC Boathouse for trailers. The dike will reserved for rigging and boat storage. Additional parking information will be available to participating clubs closer to the event date.

Age and Skill Events:

	8+	4x+	4+	2x	1x
Junior A	X	X	X
